Dear Sir.

Referring to your query regarding a book on Japanese coins, by H.A. Ramsden — I have learned that it was privately printed in Spain for the author — only 25 copies being issued.

This being the case, I am very doubtful whether it is possible to obtain a copy. However I will write to the author, & let you know what he says. As he is in Japan, you will understand that it must necessarily be a good while before I can

write you again.

Yours faithfully

Bernard Shaw

Plese return.
